Monday 18<sup>th</sup> September the ladies this week learnt how to make Lasagne.

## Van Dal Shoe Factory Visit

Wednesday 20<sup>th</sup> September a group of 19 from the Deaf Centre visited Van Dal Shoe factory and given a tour led by a lovely lady Avis Brown. It was very interesting to find out how the shoes were made and watching the people using the machines. The shoes are made from all leather from cows, the skin is thick and is cut into three layers. Top layer for leather shoes, middle layer for suede shoes and bottom layer for a fine lining inside shoes. Van Dal is the last factory in Norfolk still making shoes and once employed over 300 workers but now only 12. Thank you to our interpreter Kim.
